Supporting Evidence: It is alleged Ms. McCrea violated the terms of her supervised release by failing to completed inpatient treatment as directed, on or about December 3, 2020.

On October 20, 2020, Ms. McCrea was sentenced. She was granted credit for time served and supervision commenced that same day.

On October 23, 2020, a supervision intake was completed by phone. At that time, she verbally acknowledged an understanding of the conditions imposed by the Court, to include standard condition number 13, noted above. She later signed a copy of her judgment.

Ms. McCrea quickly relapsed on heroin. As a result, she completed an updated substance abuse assessment with Pioneer Human Services on November 17, 2020, which resulted in a recommendation for inpatient treatment. A bed date for inpatient treatment was secured for November 20, 2020, at American Behavioral Health Systems (ABHS).
